

# Privacy Notice

## 1. What Data We Collect

We collect personal information that you voluntarily provide to us when you use our website or services, such as your name, email address, company name, and any other information you submit through contact forms or downloads.

## 2. Why We Collect Your Data

We use your data to:

- Respond to your inquiries and provide requested services
- Send relevant updates, offers, and newsletters (only if you consent)
- Improve our website and service quality
- Comply with legal obligations

## 3. How We Store and Protect Your Data

Your personal data is stored securely with appropriate technical and organizational safeguards to prevent unauthorized access, alteration, disclosure, or destruction.

## 4. Data Sharing and Third-Party Services

We may share your data with trusted third-party service providers (such as email services, analytics platforms, and cloud hosting providers) who are contractually obligated to protect your data and use it only to provide services to us.

## 5. Your Rights Under GDPR (For EU Residents)

If you are located in the European Economic Area (EEA), you have the following rights regarding your personal data:

- Right to access your data
- Right to correct inaccurate data
- Right to request deletion of your data ("right to be forgotten")
- Right to restrict or object to processing
- Right to data portability
- Right to withdraw consent at any time

You can exercise these rights by contacting us.

## **6. Privacy Rights for California Residents (CCPA)**

If you are a California resident, you have rights under the California Consumer Privacy Act (CCPA), including the right to:

- Know what personal information we collect and how it is used
- Request deletion of your personal information
- Opt-out of the sale of your personal information (we do not sell personal data)

To exercise your rights under CCPA, please contact us.

## **7. Cookies and Tracking Technologies**

We use cookies and similar tracking technologies to enhance your browsing experience, analyze site traffic, and deliver personalized content. You can manage cookie preferences via your browser settings.
